No. D2-679/44
Encls.

Date 5 August 1944.

To

The Secretary to the Government of Mysore,
Development Department (Supplies),
Bangalore.

Sir,

Export of cattle.

In forwarding herewith a copy of letter no.R.200/R.M.47-43-57, dated 8th July 1944 received from the Chief Secretary to Government transferring to this office the centralised control over exports and imports of cattle which was hitherto being dealt with in the Chief Secretariat in consultation with the Deputy Commissioners and stating that in order to ensure a correct and proper correlation between the number of cattle imported and the number exported, this subject should in future be dealt with by me, I have the honour to state that the transfer of this subject to my office has devolved additional work on my staff which is already heavily worked and the existing staff find it extremely difficult to attend to this important work without prejudice to their other duties. It is quite necessary that this subject which involves correspondence with foreign governments should be dealt with by a senior official exclusively.

2. In the circumstances, I request sanction of Government may kindly be obtained to the appointment of an additional clerk on Rs.70/- in my office for attending to this work and request early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Letter no.R.200/R.M.47-43-57 dated 8th July 1944 from the Chief Secretary to Government of Mysore to the Director of Food Supplies in Mysore, Bangalore.

With reference to Government notification no.R.8961/R.M.179-42-5 dated 8th May 1943, prohibiting the transport of cattle outside the State except with the written permission of the District Magistrates, I am directed to forward herewith copy of letter no.R.5683-91/R.M.47-43-4 dated 31st March 1944 issuing instructions to the Deputy Commissioners as regards the exchange of cattle between the Madras Presidency and the Mysore State and also copy of letter no.P.F.158-43/G & A. dated 10th June 1944 from the Secretary to the Hon'ble Resident in Mysore, Bangalore, together with a copy of its enclosure and to state that for a proper working of the scheme it is desirable that the imports into Mysore and exports from Mysore into the Madras Presidency should be watched by some central authority so that there may be an proper correlation between the number of cattle imported into Mysore and those exported out to the Madras districts. Government therefore consider that the imports and exports may be controlled by you and that the Deputy Commissioners should obtain your sanction before issuing permits. The latter will, however, continue to issue permits as at present after obtaining your previous sanction to such transport. A copy of this letter has been sent to the Deputy Commissioners of districts so that in future they may invariably obtain your sanction before issuing permits. An account may be kindly arranged to be kept in your office of the number of cattle permitted to be exported outside the State and the number of imports into the State. A consolidated statement of such exports and imports may be kindly arranged to be sent at the end of each month for the information of Government.

SUPPLY SECRETARIAT

D. No. 4132

To

The Secretary to Government,

Development Department,

(Supplies), Bangalore.

Sir,

Subject: Sanction of an additional Clerk on Rs.70/- for attending to Cattle papers.

With reference to your letter No.S.D. 1745/A.75-44-2 dated 16-1 requesting me to furnish statistics to indicate the volume of correspondence relating to the additional work of attending to Cattle pape I have the honour to state as follows.

2. The export of Cattle outside the State was prohibited in Govern Order No.P. 961/ .".179-42-5 dated 8-5-1943 except with the written p mission of the District Magistrate of the District from which the an is sought to be exported. Since the promulgation of this order t the end of June 1944, the subject relating to cattle export was being dealt with by the District Magistrates of Districts in consultati the Chief Secretary.

3. But, with the settling of complicated issues like the Reciprocal arrangements between the Mysore and Madras Governments, Government co deemed it necessary to entrust this subject of cattle export and i to a central authority so as to ensure a correct and proper correlat between the number of animals imported and those exported. Accordi the subject was transferred to my office in Government Order No.P.20 P.47-44-57 dated 8-7-1944.

4. The work connected with the export and import of Cattle falls b ly under the following heads:-- (a) Correspondence relating to Exp. cattle, Sheep and Goats to Coorg. (b) Correspondence relating to i port and export of slaughter animals under the Reciprocal arrangements with the Madras Government. (c) Correspondence relating to the ge eral Meetings of the South Indian combined Board constituted for co-ordinating Cattle and Cattle Feed requirements of South India. (d) Cor respondence relating to the meetings of the Mysore State Defence Re-ding ion Sub Committee and the Main Committee for South India i.e. consi erable correspondence with the Deputy Commissioners, the Veteri nary Department, the Army and Madras and other foreign administrati Besides there are some minor items of correspondence.

5. Each one of the above items is by itself important and constit a responsible item of work. It requires careful and diligent att tion. The imports and exports of cattle have got to be watched a their movement must be regulated in such a way as to promote the be interests of the State. Statistics relating to imports and exports have got to be obtained from the Deputy Commissioners every month, c piled in this office and a consolidated statement should be sent to Government every month. The work involves correspondence as well maintenance of statistics. On an average about 150 to 200 papers a received a month for being worked up.

6. This onerous and responsible work cannot be entrusted to a juni official or to an official who has been doing some other work, beca it impairs efficiency and expeditious despatch of work which are of paramount importance. The Subject of Cattle Export is now a days, assuming added importance and many intricate issues are springing The services of a Senior official who can deal with this additional work exclusively are therefore not only indispensable but urgently is

7. I therefore request that sanction of Government may be kindl obtained and communicated to me at a very early date to the appoi ment of an additional clerk in my office on a pay of Rs.70/- per mensem.

8. Early orders of Government are requested.

I have the honour to be,
Sir,
Your most obedient servant,

ADDITIONAL ~~DIRECTOR~~ OF FOOD SUPPLIES.
